NCLEX-PN Questions & Answers Made Incredibly Easy! is an NCLEX test review and practice book that provides more than 3000 questions and answers. The book is divided into six parts that cover all the major areas included on the NCLEX-PN examination. Part 1 explains the NCLEX-PN examination itself. It discusses studying and test-taking strategies and describes the test format in detail. Parts 2 through 5 cover each of the four major categories of PN nursing practice: adult care, psychiatric care, maternal-neonatal care and care of the child. Part 6 focuses on coordinated care. The book also includes four 85-question comprehensive examinations with answers, rationales, and client needs information. Elements of the popular Incredibly Easy! Series(TM) are incorporated, including tips and advice given by Nurse Joy and other cartoon characters. The book has a two-column format, with questions on the left side of the page and corresponding answers on the right.
